Vlatko Bogojevski

Date of birth: 20/10/1990 | **Nationality:** Macedonian/citizen of the Republic of North Macedonia | **Gender:** Male |

Phone number: (+389) 078241298 (Mobile) | **Email address:** vlatkobogojevski@yahoo.com |

Address: Skopje, North Macedonia (Home)

WORK EXPERIENCE

01/08/2023 – CURRENT Skopje, North Macedonia
FRONTEND DEVELOPER RIGILOG

Contributed in angular project in which I had following responsibilities:

- **Scan Library Integration**: Collaborated in integrating a secure scanning library into the Angular application, ensuring robust and protected scanning capabilities for the project.
- **UI/UX Enhancement**: Enhance the application's user interface and experience, optimizing the design for intuitive scanning functionalities, improving overall usability.
- **Service Creation & API Integration**: Developed services within Angular, facilitating seamless communication between the frontend and backend systems by effectively sending requests and handling data flow.
- **Manual Testing & Quality Assurance**: Conducted rigorous manual testing protocols, meticulously ensuring the functionality, reliability, and security of the scan feature within the application.

03/05/2021 – CURRENT Skopje, North Macedonia
FRONTEND DEVELOPER RIGILOG AG

WalkMe/SIMPO/Stonly - digital adoption platforms.

- Provided hands-on guidance and robust support to end-users in utilizing digital adoption platforms, ensuring a smooth transition and enhanced user experience.
- Conducted meticulous testing on implementations, guaranteeing seamless user experiences and optimal functionality.
- Designed responsive and engaging interactive elements such as steps and pop-ups, prioritizing user accessibility across various devices.
- Leveraged HTML, CSS, and jQuery proficiently to elevate user interfaces, enhancing visual appeal and usability.
- Collaborated efficiently with cross-functional teams, utilizing JIRA Software for streamlined project management and cohesive teamwork.

1. Mostly used: HTML, CSS and jQuery.
2. Project management tool: JIRA Software

05/05/2019 – CURRENT Skopje, North Macedonia
FRONTEND DEVELOPER

React Projects Experience:

- **Latest React Version Implementation**: Successfully executed multiple projects using the latest version of React, leveraging its advanced features and enhancements.
- **React Router v6 Integration:** To manage application navigation seamlessly, ensuring optimal user experience and smooth page transitions.
- **Styled Components & Context API Utilization**: Implemented Styled Components to create modular and styled UI elements, enhancing code maintainability. Additionally, utilized React Context API effectively for state management and global data sharing across components.

Portfolio Showcase: Further details and in-depth insights into the React projects, encompassing the utilization of React's latest features, can be explored in my portfolio for a comprehensive understanding of my expertise.

EDUCATION AND TRAINING

16/09/2020 – 02/11/2020
REACT.JS Brainster

30/10/2018 – 28/05/2019 Skopje
FRONTEND ACADEMY Brainster
